Weekend System Overview

- **Precipitation falling mostly as rain today, especially south. Mix likely to continue north. Moderate to heavy rain at times today in southern Kentucky.**
- **Southern Indiana & I-71 corridor in KY: Additional 2-4" snow with occasional rain/sleet.**
- **Transition Zone N of I-64: Rain or rain/snow mix.**
- **South of I-64: Rain – up to 1" more.**
- **Heavy rain on melting snow, combined with poor drainage may result in low-land flooding and ponding of water in low spots on roads. Drive with caution.**
